
New Albany Floyd County Schools Technology iPad Use Agreement

Please read this entire section carefully.

This agreement is made effective upon receipt of an iPad, between The New Albany Floyd County School Corporation (“NAFC”), the student receiving an iPad (“Student”), and his/her parent(s) or legal guardian (“Parent”). The Student and Parent(s), in consideration of being provided with an iPad, software, and related materials for use while a student in NAFC, hereby agree as follows:

1. Equipment:

- a. **Ownership:** NAFC retains sole right of possession of the iPad and grants permission to the Student to use the iPad according to the guidelines set forth in this document. Moreover, NAFC administrative staff retains the right to collect and/or inspect the iPad at any time, including via electronic remote access; and to alter, add or delete installed software or hardware.
- b. **Equipment Provided:** Efforts are made to keep all iPad configurations the same within each school. All systems include ample storage space, educational applications, and wireless network capability. NAFC will retain records of the serial numbers of provided equipment.
- c. **Substitution of Equipment:** In the event the iPad is inoperable, NAFC has a limited number of replacements for use while the iPad is repaired or replaced. This agreement remains in effect for such a substitute. The Student may NOT opt to keep an iPad or to avoid using the iPad due to loss or damage.
- d. **Responsibility for Electronic Data:** It is the sole responsibility of the Student to backup indispensable data as necessary. NAFC does not accept responsibility for any such files or software.

2. Damage or Loss of Equipment:

- a. **Warranty for Equipment Malfunction:** NAFC has purchased a protection plan warranty covering parts and labor. Families will incur no additional charges for repairs covered by warranty, but there will be a deductible if the repair is caused by abuse or irresponsible behavior.
- b. **Responsibility for Damage:** The Student is responsible for maintaining a 100% working iPad at all times. The Student shall use reasonable care to ensure that the iPad is not damaged. Refer to the **Standards for Proper iPad Care** document, for a description of expected care. In the event of damage, Student and Parent will be billed \$50 for the device and \$30 for the charger.
- c. NAFC reserves the right to charge the Student and Parent the full cost for repair or replacement when damage occurs due to gross negligence. Examples of gross negligence include, but are not limited to:
 - i. Leaving equipment unattended and unlocked. This includes damage or loss resulting from an unattended and unlocked iPad while at school. (See the **Standards for Proper iPad Care** document for definitions of “attended,” “unattended,” and “locked”).
 - ii. Lending equipment other than to one’s parents/guardians.
 - iii. Using the equipment in an unsafe manner. (See the **Standards for Proper iPad Care** document for guidelines of proper use.)

- d. Responsibility for Loss: In the event the iPad is lost or stolen, the Student and Parent will be billed the full cost of replacement (\$405).
- e. Actions Required in the Event of Damage or Loss: Report the problem immediately to the School Administration. If the iPad is stolen or vandalized while not at NAFC or at an NAFC sponsored event, the Parent shall file a police report with the school's SRO.
- f. Technical Support and Repair: NAFC will provide technical support, maintenance and repair during school hours. **Any attempt to repair outside of NAFC may result in the Student and Parent being charged the full replacement cost.** A regular summer maintenance plan is scheduled and all devices will be collected at the end of school.

3. Legal and Ethical Use Policies:

- a. Monitoring: NAFC will monitor iPad use using a variety of methods – including electronic remote access – to assure compliance with NAFC's Acceptable Use Policy.
- b. Legal and Ethical Use: **All aspects of NAFC's Acceptable Use Policy remain in effect.** NAFC will provide content filtering within the NAFC network and outside of the network. Any attempt to circumvent or disable this filter will result in disciplinary action. However, NAFC does not have full control of the information on the internet or incoming email from a non-NAFC email provider.
- c. File-sharing and File-sharing Programs: The installation and/or use of any Internet-based file-sharing tools are explicitly prohibited. File sharing programs and protocols like BitTorrent, Limewire, Kazaa, Acquisition and others may not be used to facilitate the illegal sharing of copyrighted material (music, video and images). Individuals with legitimate, school-related needs to use these tools may seek prior approval from the Technology Department.
- d. Allowable Customizations: The Student is permitted to alter or add files to customize the assigned iPad to their own working styles (i.e., wallpaper, default fonts, and other system enhancements). However, NAFC reserves the right to ensure all customizations follow the Acceptable Use Guidelines and may periodically conduct maintenance that may configure the iPad back to the originally installed state.
