

## Thematic Structure TEMPLATE

Remember to express themes in terms of “\_\_\_\_\_ as \_\_\_\_\_,” wherein the first blank is a subject under the main category and the second blank is a descriptive word or phrase. For example, under politics, one might comment on power, government, king, president, etc. Then one would describe how that element is presented in the book, movie, or piece of literature.

EX: monarchy as/is dangerous to freedom. Keep the instance universal and then explain the theme as found in the piece.
